

Pancake Breakfast

Benefit for Midwives from Latin America
and Indigenous Midwives from Canada

When: Sunday, August 24, 2008, 9 am to 12 pm

Where: Great Oak Cohousing Common House 500 Little Lake Dr., Ann Arbor (more detailed directions available at gocoho.org)

Cost: Just \$6 for adults, \$3 for kids 4-10, kids 3 and under FREE!

Featuring pancakes, juice, local fresh fruit, coffee, tea, and other breakfast delights! Fun for kids and a great community gathering.

Silent Auction at 11 am with lots of fantastic items from local businesses.

Proceeds from this fundraiser go to bringing midwives from Latin America as well as indigenous midwives from Canada to the 2008 Midwives of North America conference in Traverse City Michigan. These midwives would otherwise not be able to attend because of prohibitive travel and lodging costs. Please support our mission to make this conference accessible to midwives from all of North America, not just the United States. If you can't join us on August 24, we would be overjoyed to have your donation to support these midwives. Please visit trilliumbirthservices.com for more information.

About Great Oak Cohousing and the Common House: Great Oak is a cohousing development that features private residences with a large, central common house and an emphasis on building strong community. The common house has a large kitchen and meeting space, a playroom for children, a play structure and picnic areas outside, and a fantastic new sandbox. Please park on Little Lake Drive and walk into the center of Great Oak on the pedestrian paths. The residents of Great Oak have made their common house available to us for this benefit and we are grateful to them. Please visit gocoho.org for more information about this community.

Have goods or services you would like to donate to our silent auction? We would be incredibly grateful!

Call Stacia Proefrock @ 734-834-5392 or email stacia@trilliumbirthservices.com for more information, directions, to donate to the silent auction, or any other questions.
